

Year 11 - Virtual Information Evening

Please find below a summary of the parental questions raised from the evening and our responses.

Question	Response
<p>Are students allowed to attend school after June 5th to receive support with their exam preparation?</p>	<p>We have provided students and parents/carers with a timetable of the external examinations as well as the timetable of exam preparation sessions. These take place throughout the entire exam period. Students are expected to attend school full time until the end of Friday 26th May. After this date, students are to attend school for either their external examinations or to attend a scheduled examination preparation session.</p>
<p>What happens if my child has more than one exam scheduled for the same time?</p>	<p>All students that have exam clashes in their timetable will have been informed of this. Parents/carers have been emailed with the arrangements for how the school will administer the exams where clashes occur. We will provide detailed guidance for students and support throughout these days. If students or parents/carers have any further queries regarding this matter we ask that they can contact the school via email exams@helsbyhigh.org.</p>
<p>Will the School Counsellor be available throughout the examination period?</p>	<p>Our School Counsellor will be available for students if they require further support during the examination period in addition to the support from the Pastoral Team and Teaching Staff.</p>
