Year 10 Experience of the Workplace Information

We are delighted to share with you details about our new Experience of the Workplace programme for our Year 10 students. All students in Year 10 are going to experience the workplace on 17th and 18th July 2024. The video below is a step by step guide, outlining how the Experience of the Workplace will work, the importance of Experience of the Workplace, how to find a placement, how to use the Unifrog package to register a placement, and notify you of key dates and deadlines.

Please watch our step by step video below and play the Unifrog clips via the links under our YouTube video.
