

HELSEBY

Sixth Form

Year 11 Sixth Form Transition Material

Product Design

Congratulations on choosing to study Product Design at A Level

The information and tasks contained in this booklet will help you to research and prepare for your course when you start at Sixth Form Helsby in September. They will provide you with an overview of what to expect from your A Level studies and help you to develop a greater understanding of the subject.

This is by no means an exhaustive list but it will help you to start thinking about the subject and extra-curricular study and research.

Use your phone to scan the QR codes which will link you to the website or video.
