

Date	Exams/ Assess	Unit(s)
1/9/25	A	Base line test
8/9/25		Place value
15/9/25		Working with the four operations
22/9/25		Order of operations (BIDMAS)
29/9/25		Factors, Primes and Multiples
6/10/25		Fractions – Simplify / Compare
13/10/25		Fractions of amounts
20/10/25		Fractions – Addition and Subtraction
3/11/25		Working with decimals
10/11/25		Fractions, decimals and percentages.
17/11/25	PPE	PPE week
24/11/25	PPE	Feedback and Directed improvement
1/12/25		Percentages
8/12/25		Percentages with/without calculator
15/12/25		Coordinates
5/1/26		Calculate area and perimeter of shapes
12/1/26		Work with circles
19/1/26		Algebraic Notation
26/1/26		Substitution
2/2/26	A	Assessment
9/2/26		Feedback
23/2/26		Directed number
2/3/26		Measure and construct angles
9/3/26		Angle rules
16/3/26		3D shapes – volume
23/3/26	A	Assessment
30/3/26		Feedback
20/4/26		Increase and decrease by a percentage
27/4/26		Function machines and solving equations
4/5/26		Solving two step equations
11/5/26	PPE	PPE Week
18/5/26	PPE	Feedback and Directed improvement
1/6/26		Sequences
8/6/26		Interest
15/6/26		Probability
22/6/26		Probability diagrams
29/6/26		Assessment and feedback
6/7/26		Reteach and prepare for Year 8
13/7/26		Reteach and prepare for Year 8
