A GUIDE FOR STUDENTS, FAMILES AND STAFF

REWARDS AND RECOGNITION

Rewards and Values

We have framed our rewards and recognitions around our RARE values

Our Aims...

To ensure we have listened to student voice during the planning and upkeep of the strategy.

To use reward points to reinforce habits that will allow students to be successful in life.

To make it as easy as possible for staff to keep the strategy fair, and running well.

To help our students develop Respect, Ambition, Resilience and Empathy.

To ensure ALL students have the opportunity to rewarded and have a fresh start each year.

To show our students that we appreciate their hard work and commitment to doing well.

Collecting RARE points

Students earn and collect RARE points throughout the year

The next few pages show you how students can earn points and how many points are awarded.

We will communicate the running totals each half term so students can see the progress they are making towards being able to ‘Board the Bus’ on our annual Autumn term Rewards Trip.

Students will also receive other rewards and recognitions throughout the year.

The scheme relies on class teachers awarding points fairly and consistently and our procedures will help teachers to do this.

Enrichment and Citizenship

Students can earn RARE points for the opportunities they take part in out side of lessons.

On the next page you will see some more areas that teachers can reward students for. These areas reward the student's involvement with important enrichment activities like clubs or competitions.

Teachers can also reward the students who are developing their Citizenship e.g. in community based projects like supporting a charity, a bake sale entry, a member of the Maths Challenge, or who have shown fantastic conduct during a Special Event, for instance for noteworthy engagement with a visitor.

Rewards and Recognitions

Although many students are aiming to collect enough points to 'Board the Bus' at the end of the year, they can also look forward to being recognised and rewarded throughout the year.

This could be in the form of a physical prize, an Amazon voucher, a ticket or pass to use during the school day, or a certificate and recognition from someone important in our school (or all these!)

Headteacher's Reward Breakfasts

A most special invitation...

Students are nominated to come to meet Mr Hill to celebrate their outstanding conduct. This is one of our highest honours, where Mr Hill sends a letter through the post, inviting students to meet with him and the nominating teacher(s).

Students enjoy a breakfast snack whilst sharing the details of their nomination.

The Student Council have recently asked that this take place during registration.

Rewards Trip

The students with the most RARE points at the end of the year will be offered a place on the bus to our chosen Reward Trip destination, taking place in Sept of the following year, which will mean we avoid the big queues, reflecting a better value for money.

Although there is a cost to students, we are able to secure off-peak schools-tickets which are considerable cheaper. The cost will also cover the coaches to and from the venue. Financial support may be offered for qualifying families, please enquire via your Progress and Pastoral Leader.

The Rewards Trip is a fun opportunity for students to spend time with their classmates and teachers outside of the school setting, and during school hours!

We ensure a whole day is devoted to the fun and enjoyment of these students to say thank you for their hard work and good conduct throughout the previous year.

What if ‘Boarding the Bus’ is not for you?

If you earned enough reward points to ‘Board the Bus’ at the end of the year, but going on the Rewards trip is not something you would like to do, you can use your reward points to buy a relaxed afternoon in school instead.

We have three options available for you to choose from.

You will be able to buy these at the end of the year or in Sept ember before the Rewards Trip goes out.

Year11 - Passport to Prom

RARE Points for your Passport to Prom

Prom is a really special event at the end of Year 11 and students' hard work and good conduct throughout the year ensures they are able to attend this amazing event!

Positive Points, awarded for being Respectful, Ambitious., Resilient and Empathetic are added together and prove that students are showing the rght conduct to be able to attend Prom.

Negative points willl inflluence a students' Passport and could mean that they are not showing the right conduct to be able to attend Prom.

Awards Evening at Helsby High School

An Evening to Remember

Every year we hold our Annual Awards Evening, recognising some of our most stand-out students. Specially selected students and their parents/carers will receive an invitation to join us to celebrate the conduct and achievements of their young person.

Our most prestigious awards are:
Our top RARE scorers from each year group
Students who have achieved all 4 RARE Certificates over the year
Our top RARE scorers in the whole school
The Tom Bick and Ryan Hall ‘Achieving Success’ Award
